

NEW BC16-MH120 - Cordless Bolt/Bar Cutters

Makes light work of cutting container seals

With fully-charged battery:

- o Cuts 75 pc, diameter 16 mm (5/8") #5
- o Cuts 110 pc, diameter 13 mm (1/2") #4

Blade construction: powder high-speed steel with titanium coating

Adjustable head: turns 180 degrees

Can cut high tensile bars & bolts!

Demonstration cutting video available on www.genscoequip.com

BC16-MH120 - Cordless Bolt Cutters Includes the following:

- o Main body, 1 pc
- o Carry case, 1 pc
- o Shoulder strap, 1 pc
- o Spare blade assembly, 1 set
- o Battery, 1 pc
- o Battery charger, 1 pc
- o Blade adjustment bolt, 3 pcs.
- o Hexagon wrench, 1 pc

Technical Data:

Cutting Capacity	16 mm (5/8")
Charging Time	25 minutes
Battery	Hitachi 14.4V, 3,000mAh(Ni-MH) AC120V
Battery Charger	Input AC120V (US), AC230V (EUROPE)
Blades	Powder high-speed steel with Titanium coating

BC16-120V - Electric Bolt Cutters (AC120V 60Hz)
US Standard 120V

- o **Makes light work of cutting container seals**
- o Blade construction: powder high-speed steel with titanium coating
- o Cutting capacity: diameter 6mm(1/4") - 16mm(5/8") #5
- o Cuts tempered steel bars
- o Cutting time: 4 seconds
- o Output pressure: 11ton/force
- o Double insulated construction reduces the risk of electric shock
- o Adjustable head: turns 180 degrees
- o Weighs just 8.1kg – 17 lbs.
- o Includes ergonomic shoulder strap

Demonstration cutting video available @ www.genscoequip.com

BC16-120V - Electric Bolt Cutters (AC120V 60Hz)

Includes the following:

- o Carry case, 1 pc
- o Shoulder strap, 1 pc
- o Bolt cutter, BC-350 (6 mm), 1 pc
- o Handle, 1 pc
- o Hand guard assembly:
- o Spare blade, 1 set
 1. upper blade, 1 pc
 2. lower blade, 1 pc
 3. Allen wrench, 1 pc
 4. fixing screws, 2 pcs.

BC-350

Technical Data:

Electrical Input	AC120V 60Hz
Current Rating (amperes)	7.6A (AC120V)
Power Consumption	760W
Output Pressure	11tonf
Blades	Powder high-speed steel with Titanium Coating
Weight	8.1kg – 18 lbs
Electric Cord Length	4.5m – 15 ft.
Cutting Capacity	diameter 6mm(1/4") - 16mm(5/8") #5
Cutting Time	4 seconds

**ELECTRIC OR BATTERY POWERED TOOLS TO CUT
CONTAINER SEALS AND BOLTS**

Our range of Cordless/Electric Bolt Cutters make light work of cutting container seals, and are an attractive alternative to other tools typically employed for this purpose.
